

Harlow Chandelier Small

Gabriel Scott

An elegant sculptural light fixture, the Harlow Small Chandelier inspired by jewelry design and features a mold-blown glass gem in a chic metallic setting. The blown glass makes for a beautiful diffuser of soft light, while the prong inspired hardware adds glamor to each fixture.

The Harlow Small Chandelier is available in various color ways, and held in a metallic frame referencing a prong setting. Choose from either alabaster white or smoked gray glass and either satin brass, nickel, copper, bronze or black steel hardware.
