

Lineground Community Table

Skram

Lineground Community tables feature solid timber construction, mortise-and-tenon joinery, and mitered corners with matched seams/waterfall edges. There are 3 standard models. Stretcher location may be at floor or beneath top.

The Lineground bench is offered as a companion to this product. Custom sizes, configurations, and materials are available, as are wire management and power/data option. Please contact sales@twentieth.net for more information.

Starting at: \$7,796
