

Link Dining Table by AKMD

The Link Dining Table is a modular system comprising patinaed cast aluminum and steel components and can be adapted for use with any size table. Table tops are made to order at our studio in Chicago and are available in an extensive range of species and finishes as well as whole-log book-matched slabs. The legs can be finished in an array of powder coats or can be plated in nickel or brass. DESIGNER Michael W. Dreeben and Ayush Kasliwal
