

Luna Pendant

Gabriel Scott

The Luna Pendant is one of Gabriel Scott's best-selling lighting fixtures. Popular for its glass bead configurations and various colour finishes, the versatility of the Luna Pendant makes it a popular choice for a multitude of residential and hospitality projects.

Often purchased in duplicates or sets, the Luna Pendant is regularly specified for kitchen designs, positioned over bedside tables, as well as statement staircase pieces. The Luna Pendant works well either in set colours or mixed up with various metal and glass finishes across multiple fixtures.
