

Nebulae – Horizontal Chandelier Series

Ross Gardam

The Nebulae collection takes its name from the natural phenomena of interstellar clouds and their dynamic layered lighting effects. Featuring geometric machined forms coupled with fluid glass discs, Nebulae creates a harmonic balance between the elements. Featuring a series of cascading luminaires, each one is connected by a singular aluminium tube, creating a gentle, distinct glow in a united format.

Starting at: \$3,806

Designed for use in taller open spaces, working in modular configurations, the Nebulae Vertical Chandelier is inspired by the diffusion of natural light. Available in several configurations and various glass finishes, Nebulae's graceful silhouette offers a striking addition to any project.
