

Nebulae Wall Light

Ross Gardam

The Nebulae collection takes its name from the natural phenomena of interstellar clouds and their dynamic layered lighting effects. Featuring geometric machined forms coupled with fluid glass discs, Nebulae creates a harmonic balance between the elements. The striking glass diffusers combined with a light source that is both functional and ambient creates a beautifully unique luminaire.

The Nebulae Wall Light is a statement in any space, offering an exquisite adjustable light level. The wall light can be specified with a single glass disc or layered with an additional disc to create expansive light dispersion options. The body is manufactured from spun aluminium, champagne or
