

Phaedra Sconce

Bec Brittain

The Phaedra lighting collection is an exploration of form and light, where oval shapes intertwine to form a mesmerizing armature that cradles linear lights. At the heart of each luminaire, a captivating display of triangular prisms takes center stage, meticulously arranged along the length of the light. The design is inspired by the beauty of fresnel prisms but deconstructed into distinct elements, creating a contemporary and captivating aesthetic. Phaedra marries elegance with innovation. The interplay between the graceful ovals and the angular prisms adds a sense of dynamic tension to the fixtures, casting intricate patterns and captivating shadows when illuminated. The versatility of the collection allows it to encompass a range of fixtures, from sconces for subtle
