The refined purity of the circular form is the hero of the Polar collection. The Polar Wall Light utilises a unique hinge joint allowing the disc to pivot up or down, softly directing the light output. With a minimal silhouette and effortless functionality, Polar brings together the best of contemporary design and timeless craftsmanship.

Starting at: \$460

The Polar is available in a fixed or pivoting configuration creating the perfect effect for any project. Polar's anodised champagne wall canopy provides a beautiful base for the luminaire to mount onto the wall and houses the fully dimmable LED module.
