

Prong Race Track Coffee Table

Gabriel Scott

An evolution of the original Prong series, the Prong Racetrack Coffee table retains a similar design intent but introduces a new oblong-shaped marble top.

The Prong Racetrack Coffee Table is available in three luxurious marble top options, including Bianco Gioia, Grigio Carnico and Silver Wave. Evoking the image of fine jewelry, the precious marble rests atop long, delicate legs. Starting at: \$7,365
