

## Salon Footstool by Lee Broom

The Salon Footstool is the perfect accessory for any dressing table, it combines sumptuous fabric, contrasted and accentuated with modern stud detailing. **COLLECTION: Salon, 2011** The collection will consist of six furniture pieces inspired by the curvaceous lines of 1930s upholstery, contrasted with modern stud detailing in either gold or gunmetal. The finished result is a polished, contemporary furniture range that echoes the iconic designs of luxury fashion accessories and punk rock couture.
