

## Screw Side Table

Inspired by the materials and processes of the Industrial Revolution, Screw is made from a cast iron tripod base, updated with a wider footprint for added stability. The thread, now in steel, allows for multiple heights by simply spinning the top. Suitable for outdoor and indoor use.

Price Upon Request

Please be aware additional delivery charges apply to this item. Larger items and deliveries beyond mainland UK may require special delivery services and may take a little longer to arrive. Once we've received your order we will be in touch to make arrangements.
