DEAN

Dining Table

in Blackened Steel
& Grigio Carnico

A design with mid-century sensibilities, meet the Dean. The coolness of a minimalist metallic structure softened by the rounded edges of its glass top, the Dean features a versatile silhouette that breathes space into any room.

Showcasing industrial design met with elegant lines, the metallic bases are available in black, nickel, brass or copper finishes, topped with Italian and Turkish marbles in black, silver or white stone.

All Gabriel Scott pieces are handmade in Canada.
