## Dome

LIGHT

A large dome of handblown Czech glass with a frosted finish rests atop a custom base made of vertical solid brass plates. A brass ring fits onto the base as a seat for the glass dome. Imposing in size, it can work on large furniture, or the floor, depending on the decor. While large, the softness of the frosted glass and minimal presence of the base make it approachable and compelling.

UL listed suitable for dry locations only (US & Canada)
