# WELLES Double Blown Glass Desk Lamp

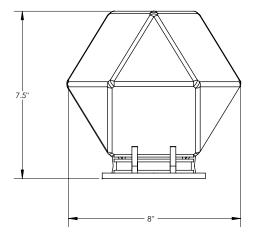

in Satin Copper & Alabaster White

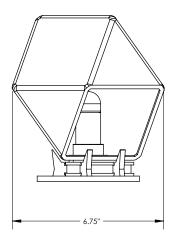

An intricate design process in which colored glass is blown within a clear glass envelope, the Welles double blown glass diffuses a soft light filtered through its translucent facets. A polygonal shape with polished sharp edges, the Welles is a glistening gem that cascades as a single pendant or as a body of staggering pendants.

The precious Welles Double Blown Glass is available in smoked gray or alabaster white, and can be mixed or matched with its complementary black, nickel, brass, copper and bronze metal.

All Gabriel Scott pieces are handmade in Canada.

## **SPECIFICATIONS**

#### Standard Finishes:

# **LIGHT BULB**

### E14 2W 2200K

## 2 WATT | 120 LUMENS | 2200K

Classic, smooth dimmable LED filament lamp. This lamp uses 2 Watts of power and achieves 120 Lumens at a CRI of 95. It has an IP54 rating.

65 mm

28 mm

#### Lamp:

• Shape ST28

Materials Brass cap, glass Finish Iron tinted 360' Beam angle E14 Base 0.01 kg Weight Working temperature -5C to 40C Warm up time Instant Warranty 3 years 220V-240V Input Voltage

Glare control
 We use up to 8 LED filaments in our lamps.

This, together with a thicker phosphor coating, reduces and controls glare, resulting in an even, more comfortable light.
