

Rhombus Table

13" x 19" x 20"

Warm White Satin glaze

Lead Time: 4-5 Months

*Made to order unless otherwise noted.

- Custom sizes available.
- Finished Dimensions may vary slightly, +/- 1"
- Variations occur naturally, no two pieces are identical.
- Additional finish options are available, please check the web-site or contact us by email for more information.

The Rhombus series is made by bending links of metal by hand. By bending consecutive links in the opposite direction, the diamond like shape of the rhombus is formed. The negative spaces within the shapes create unique patterns depending on the angle one views the piece.
