SYBILLE DE MARGERIE  
PARIS

As a contrast to the original Welles sharp metal and glass silhouette, Sybille de Margerie has created a new interpretation revealing the feminine side of her signature design style. Couture-inspired, her Welles Reimagined capsule collection shows a gradient composition from emptiness to fullness, with a variation of hollow and plain shapes.

Fully customizable, Sybille has used soft, rounded moveable padded magnetic leather panels to create a subtle 3D effect, thus creating new light effects and shadow. The Welles Long Chandelier 16 by Sybille de Margerie floats effortlessly, adding a sense of movement and dimension to any space. The capsule collection comprises a Long, Central and Vertical Chandelier, as well as a Triple Pendant and Single Sconce.
