

SHY Remote Installation Diagram 80-120 Watts

Junction Box,
not included

Low Voltage Wire (24 VDC)

Low Voltage Wire (24 VDC)

Ceiling

Cross Bar

Screws, not included

Nipple

5" Diameter Canopy

Hang Straight

To fixture
below

0-10 V Dimming
Control Wires

Universal PWM Dimmer
Anigmo DMS-850-X
or similar
3" x 1.5" x 0.75"

Low Voltage Wire
18 AWG or larger

24VDC
Output Wires

Transformer
Mean Well CLG15024
or similar
8.75" x 2.67" x 1.53"

Line Voltage Wires
(90-295 VAC)

- Transformer and dimmer included.
- When remotely located, access will need to be provided.
- Not to scale.

NOTE:
 For wiring diagram, see "SHY Wiring
 Diagram - 80-120W"
