V5R-T rocker

V5R-T

This model of the version 5 rocker is an all-timber, mid-back version of the original version 5 leather sling rocker. Features include a solid timber frame, coopered seat, and carved back with mortise-and-tenon joinery throughout. Clients may select from skram timber options shown below or contact the company to request custom material options. This item was developed for use in contract applications.
